

## Off the Shoulder Evening Club Dress

Be a voluptuous vixen in this jaw-dropping evening dress. The off the shoulder look is accentuated further with the daring v-neck, re-directing everyone's attention to you and only you. The high waistline and darts give the appearance of a trim tummy and an hour glass figure. Flattering your figure even more, the padded bust line enhances your profile.

While this evening dress is provocative enough for any club scene, it's also formal enough for classy and elegant affairs, especially if you add some more traditional jewelry accessories. With such an awe-inspiring dress, everyone who sees you will be green with envy as they swear you're wearing a high-end designer label. Don't worry. The truth about the budget-friendly price tag will be your little secret.
